

## Graduation and More!

In Toddler C and Preschool we are learning about various types of instruments and the sections within the orchestra. We are learning how to clap our note values using our instruments and our bodies. We are mastering how to keep time and staying on beat.

In Adv. Preschool it's all about music vocabulary. Students are showing knowledge of music symbols and definitions. Also, we are practicing adding and subtracting note values. Soon we will review crescendo vs. decrescendo and apply them to singing.

In Pre K - Third grades, it's all about graduation. YES! The big day is just weeks away. We are studying, practicing, and rehearsing feverishly. We are working to creatively showcase all of the musical skills we've learned this year. Our graduation production is going to be AWESOME!

Ms. Tarsha

### STAR STUDENTS

Kyla Childs - Toddler C

Gabriella Shaw - Preschool C

Sam Teran - Adv. Preschool B

MacKenzie Davis - Pre k A

John Pearson - K

Dana Johnson - 1st grade

Nam Tram - 2nd grade

Taylor Jewell -3rd grade
