DISCIPLINARY PRACTICES

Section 65C-22.006(3)(c)2 of the Florida Administrative Code requires that parents be notified in writing of the disciplinary practices used by the child care facility.

The use of physical punishment is prohibited at our center. Discipline consists of positive redirection or, if necessary, time out. Time out is limited to one minute per year of age of the child per incident. Time out consists of sitting in a designated area facing the group, but apart, still within supervision of the teacher.

In order to provide the best care for your child, parents must notify the center of changes in your child's environment that might affect the behavior of the child. Our being aware of changes in your child's life will assist us in implementing the adjustment.

However, StarChild Academy reserves the right to ask the parent to make alternative arrangements for the care of a child in the event that behavior becomes a problem that cannot be corrected.

PHOTOS, VIDEOS & INTERNET IMAGES

As a service to its parents, StarChild Academy has installed a camera system which allows parents and other family members who have passwords to view their child(ren) in their classrooms and on the playgrounds remotely via the Internet.

I give my permission to display photos and videos of my child via the Internet camera system. I also agree that StarChild Academy may use photos and videos of my child for newspaper articles, brochures, web sites, and other publicity purposes.

By signing below, I verify that all the information on this enrollment form is true and accurate, that I have received a copy of the Child Care Facility Brochure "KNOW YOUR CHILD CARE CENTER" as required by Section 402.3125(5) of the Florida Statutes, that I agree abide by the terms in the StarChild Academy Parent's Handbook, and that I am responsible for payment of tuition and other fees as explained in the StarChild Academy price list.
